

Now in its 6<sup>th</sup> season, the **Spinal Chord Gala** is an elegant and fun event bringing together Vancouver's Arts & Science communities.

This interdisciplinary event celebrates the achievements and objectives of ICORD and the Vancouver Cantata Singers—two internationally recognized organizations, each working in very different fields. This annual event gives us the opportunity to come together and identify common ground and shared perspectives in our varied pursuits.

With the exception of specific cash donations, all funds generated by this event are split equally between both organizations.

**Please consider supporting us this year by becoming a sponsor.**

Vancouver Cantata Singers was founded in 1957, and is one of Canada's preeminent, award-winning choral ensembles. VCS is known for technical virtuosity, fine blend and exceptionally high performance standards encompassing 500 years of choral repertoire, and has been awarded the Canada Council's top prize in choral singing, the Healey Willan Grand Prize, more than any other choir in the country. Under the artistic direction of Paula Kremer, the choir looks forward to exploring different venues and continuing to discover wonderful music from the past and present that enriches their art.
