Now in its 7th season, the **Spinal Chord Gala** is an elegant and fun event bringing together Vancouver's Arts & Science communities.

This interdisciplinary event celebrates the achievements and objectives of **ICORD** and the **Vancouver Cantata Singers**—two internationally recognized organizations, each working in very different fields. This annual event gives us the opportunity to come together and identify common ground and shared perspectives in our varied pursuits.

With the exception of specific cash donations, all funds generated by this event are split equally between both organizations.

Please consider supporting us this year by becoming a sponsor.
