

SUPPORT THIS YEAR'S

spinalchordgala

SATURDAY, 22 OCTOBER 2016

The **Spinal Chord Gala**, now in its eighth year, is a celebration of Vancouver's Arts & Sciences communities. Held in the stunning atrium of the Blusson Spinal Cord Centre, the event is a night of elegant entertainment, honouring the achievements and objectives of **ICORD** and the **Vancouver Cantata Singers**—two internationally recognized organizations of science and the arts. All raised funds are divided equally between ICORD and VCS, with the exception of specific cash donations.

How can you be a part of this unique event?

We are seeking donations of products and services from businesses and individuals in the community. Donations could include:

- gift cards for restaurants, services, and shops;
- tickets to sporting events, theatre performances and concerts;
- gourmet gift baskets and bottles of wine;
- artwork, jewelry, accessories.

Cash donations are also welcome.

Gift items (tangible items of property) are eligible for a tax receipt to the extent provided by federal law. Tax receipts cannot be issued for services.

Contact us! We'll be happy to discuss your options.

Vancouver Cantata Singers, founded in 1957, is one of Canada's preeminent choral ensembles. The choir is known for its technical virtuosity, fine choral blend, and high performance standards of music encompassing 500 years of repertoire.

Vancouver Cantata Singers has been awarded the Canada Council's top prize in choral singing, the Healey Willan Grand Prize, on three occasions. Under the artistic direction of Paula Kremer since 2013, the choir looks forward to exploring new venues and continuing to discover wonderful music from the past and present.

ICORD (International Collaboration On Repair Discoveries) is an interdisciplinary research centre in the UBC Faculty of Medicine. ICORD's research activities range from innovative preclinical discovery and acute clinical interventions to chronic care and rehabilitation and community integration and participation, with the shared goal of making spinal cord injury preventable, livable, and curable.
